

Smoke Tree Farm

We are a hunter/jumper/equitation barn located outside of Baldwinsville, NY. The facility is located 20 minutes Northwest of Syracuse. Smoke Tree Farm provides services for up to 30 horses. We are currently home to the Syracuse University Equestrian Team & the Smoke Tree IEA Team. We offer boarding, horsemanship programs, clinics, training & horseshows.

Lesson Program

Our lesson program offers quality instruction for all levels of riding. We teach hunt seat riding & equitation on our well schooled horses and ponies, many of which have been champions in the show ring. Riders are encouraged to showcase their skills at local horse shows on our school horses. When riders are ready to move on to the responsibility of owning or leasing a horse, we are there to guide them in the process.
